Product Phase out Notification

Because of market competition and cost issues, Korenix will phase out following non-superior products.

1. JetCon 1501/3301 Series Industrial Media Converters

The production of JetCon 1501/3301 will be executed according to EoL (End of Life) terms, so if you have any inquiry, please contact your sales window for last shipment till 2009/12/30.

As previously promised, Korenix will keep the warranty policy for 3 Years.

For new Industrial Media Converter projects, we suggest JetCon 3401G/1301/1302 with following advanced features:

JetCon 3401G Industrial Gigabit Ethernet Media Converter

- Converts 10/100/1000TX to Gigabit Fiber
- Flexible SFP Fiber transceiver design
- Auto Fault Detection and Alarm
- Fault Alert for port and power
- Two way Link loss forwarding
- Power redundancy with wide range input
- IP-31 grade protection with wide range operating temperature
- 1.5KV Hi-Pot testing passed

For detailed product specifications, please download datasheet from Korenix website shown as bellow:
